

Helen Wilcox Media Permission Form

Student's Name: _____ Teacher: _____

Throughout the school year, Helen Wilcox students participate in various forms of media as part of our school's vast technology. We wish to share this with you and the community through print (newsletters, brochures) and through electronic means (school and classroom websites). We will also be pursuing area media coverage (television and newspaper) of school events. Helen Wilcox Elementary School recognizes that, when publishing student/class work, or celebrating school events, particular attention and responsibility must be given in order to protect the students. Therefore, we require your permission before your child's information can be published. Please complete all of the information below and return this form to the school office, or to your child's teacher.

This form must be completed, signed and returned for each student, regardless of your decision.

Please keep in mind that a "No" answer may exclude your child for those activities destined for publication.

Department of Education at CSU, Chico

All teacher credential candidates (student teachers) are required to complete a Teaching Performance Assessment, which contains a 15 – 20 minute video of one or more lessons. Although the video will show the student teacher and various students, the primary focus is on the teacher's instruction, not on the students in the class. The recording will only be used by faculty to assess the student teacher's performance and to evaluate the program effectiveness. The assessment will also contain samples of student work as evidence of learning. No student last names will appear on any submitted materials, and all materials will be kept confidential.

Please choose the appropriate statement below:

_____ **I DO** give permission for my child to appear on a video recording and understand my child's name will not appear in any written material accompanying the recording.

_____ **I DO NOT** give permission for my child to appear on the video recording, and understand that he/she will be seated outside of the recorded activities.
