PARENT POWER

There are many ways you can support your child's learning and school. Here are a few ideas:

- Spend a few minutes every evening looking over handouts your child brings home. Fill out forms to return the next day.
- Tell your child's teachers if you can help them out at school or home.
- Make sure teachers know you appreciate their efforts. From time to time, send a thank you note or email.
- Contact your child's teacher immediately if you see a problem. Working together will help your child succeed.
- Attend conferences, parent meetings and school events regularly.
